# Welcome to the Birkdale Garage Doors range guide

**birkdale**  
garage doors

Birkdale Garage Doors is all about great products at everyday pricing. Built to last and packed with features that make them a pleasure to use, they are exceptional for their good value and striking good looks. This brochure showcases an extended range of doors that are sure to make an impact. CE marked and manufactured under our ISO 9001 quality systems, you can be sure of safety, reliability and quality.

All Birkdale Garage Doors products are CE marked and built within our audited ISO 9001 quality systems

Single doors up to 9'0" wide and 7'0" high are available with the option of canopy lifting gear.

Retractable lifting gear is available as standard on all doors.

Steel Up and over doors are designed for a long and reliable life and are available with retractable or canopy lifting gear. See pages 4 to 8.

Our "smartpass" up and over doors have a built in pass door - perfect for those times when you want access to your garage without a separate side door. It opens just like a normal up and over door when you need it and opens just like a side door when you don't! See page 9.

Traditional side opening doors are brought right up to date with all round lip seals and secure locking. See pages 10 to 13.

Looking for a little extra style? Choose the option of decorative stainless steel decals to add a contemporary touch see pages 14 and 15.

If you love the look of real timber our cedar range is the perfect choice - see page 16 and 17 for the full range.

GRP is an incredibly strong, dent resistant modern composite laminate with a better strength to weight ratio than steel. The door face is devoid of joints, seams, rivets or fastenings to detract from its good looks. See pages 18 and 19.

## Automation

All Retractable up and over doors are ready for automation.

### Birkdale Motorline range of operators

Automation for retractable doors gives a quiet smooth remote opening and a 2 year warranty. The Birkdale Motorline is very safe, reliable and is independently tested with our doors and fully complies with BS13241. Our automation system comes as a complete kit including all parts for a standard installation.

#### Features:

- Includes 2 remote handsets
- High quality, elegant design
- Low-energy consumption
- Simple installation
- Motor control with integrated radio receiver and lighting
- Partial opening- eg for ventilating the garage

- Controlled soft running for very quiet opening and closing
- Longer service life
- Maintenance-free chain
- The self-locking motor protects against break-in
- Automatic obstacle detection with reversion when an obstacle is encountered

# Up and Over garage doors - Steel

Chrome effect handle option

White handle option

Security is solid and dependable. The attractive black handle sits easily in the hand and is lockable. Strong steel bracing ensures the door is a barrier to forced entry.

## Georgian

Steel Up & Over Garage doors are a timeless and reliable choice. Choose a style and colour and you have a strong and secure door that will look good for years to come with the minimum of effort.

Doors supplied with canopy gear as standard up to 9' wide with the option of Retractable up to 14' wide.

**birsdale**  
garage doors

The elegant proportions of a Georgian style panel are at their very best in this timeless design classic. (Not available in Smartpass)

Aside from the ever popular white, doors are also available in the classic low gloss solid colours shown. Every door is factory finished for excellent corrosion resistance.

# Up and Over garage doors - Steel Styles

Woodgrain effect steel doors provide an attractive alternative to timber and are an excellent match for modern Upvc window finishes, with the same minimal maintenance requirement.

## Colour Options

Golden Oak

Rosewood

Every door is factory finished for excellent corrosion resistance.

Alton and ribbed doors can be made to measure.

Medium-ribbed standard sizes only.

Frames complement the door. Golden Oak frames are finished in Clay Brown (RAL 8003), Rosewood frames are finished in Mahogany Brown (RAL 8016).

Standard Rib Vertical - Golden Oak

Medium Rib Vertical - Rosewood

All Birkdale Garage Doors are CE marked and comply fully with current safety legislation. Canopy doors feature an anti-drop device in the unlikely event that a lifting cable should fail.

Golden Oak or Rosewood finishes in standard or medium rib designs add a real element of design to your home.

Standard Rib Horizontal - Rosewood

Medium Rib Horizontal - Golden Oak

Alton - Golden Oak

Single and double doors are available in standard and made to measure sizes - the perfect way to update your home.

Doors are shown with complementing frames that are available as an option.

# Steel "Smartpass"

Wicket doors (Smartpass) available up to 8'0" wide.

## Vertical with "SmartPass"

The Vertical with a "Smartpass" access door built in - an up and over door with a built-in access door for those times when you just don't need to open the whole door - classic style, intelligent design!

All doors feature a strong sub-chassis with bracing plates to ensure rigidity of the door panel.

Up and over doors feature simple but effective cable operated latches that are engaged and disengaged with the locking handle.

Canopy gear is spring assisted and provides a simple and effective solution for doors up to 8'0" wide.

Retractable doors run on smooth polymer rollers in suspended tracks and are perfect for remote control operation.

## Colour Options

Aside from the ever popular white, doors are also available in the classic low gloss solid colours shown.

Every door is factory finished for excellent corrosion resistance.

# Side Hinged garage doors - Steel Styles

We've added new styles to our range, why not let the light in with our glazed doors? Window designs are all supplied with Pilkington K stippled safety glass with a choice of decorative inserts.

## Vertical Medium Rib

Traditional side hinged doors are easy to operate and so simple. All our up and over styles are also available in side hinged configurations and also with matching personnel side entrance doors.

Steel Side hinged garage doors available 50:50 up to 10'0" wide.

2/3:1/3 opening up to 9'0" wide.

Horizontal rib opening up to 8'0" wide.

Alton

Alton Woodgrain

Drayton vertical

Drayton horizontal

Steel bracing gives side hinged doors a robust feel in every day use. The standard configuration shown above uses twin latches on the active leaf and shoot bolts on the inactive leaf.

The Premium option includes top stays to hold the door open and a threshold to prevent debris passing under the door. Four point, cable operated latches secure the door leaves.

The premium option has cable operated latches to the top and bottom of each door leaf, providing easy but effective security.

Top Latches

Standard doors have cable latches and shoot bolt security.

The bottom threshold on premium doors provides an excellent seal against leaves and other debris blowing under your door. It can be removed if a flush threshold is preferred.

# Up and Over garage doors - Timber Styles

Stratford (shown basecoated)

If you'd like to create your own design, we offer an open chassis into which you can fit your own panels up to a maximum weight of 7.5 kilograms per square metre.

The natural beauty of timber shines through on our range of up and over doors. Benefiting from the same excellent opening mechanism, locking and strong steel chassis, these doors add a classic touch to any home.

If you are fitting doors side by side, let us know and we'll craft a pair finished to a similar shade - remember wood is a natural material and no two doors are alike!

# Up & Over and Side Hinged garage doors - GRP Styles

White gloss doors are just that! The high gloss finish just requires an occasional wipe over to keep it in pristine condition.

Eastbourne White Gloss

Regent White Gloss

Victoria White Gloss

GRP (Glass Reinforced Polyester) are low maintenance garage doors.

GRP is an incredibly strong, dent resistant modern composite laminate with a better strength to weight ratio than steel. The door face is devoid of joints, seams, rivets or fastenings to detract from its good looks.

All doors are supplied fully finished, won't warp, shrink or rust and are virtually maintenance free. There are two ranges - white gloss and woodgrain

Woodgrain doors are hand finished to provide a natural antiqued effect to the grain detailing.

All doors are available in a side-hinged configuration, with the exception of the Eastbourne. The Victoria & Milton are only available as side-hinged.

Kielder Woodgrain

Westminster Woodgrain

Milton Woodgrain

**NEW**

Milford Woodgrain

**NEW**

Monmouth Woodgrain

Woodgrain Colour Options

Woodgrain doors are available in the stunning selection of woodtones shown here. Finishes are minimal maintenance and require just a wipe over with a damp cloth to keep clean.

Side hinged doors are supplied on a robust steel chassis in a complementary colour. The back of the door is shown here.

## Product Guarantees

Birkdale Manufacturing Group Ltd manufactures products to the highest standards and your garage door only leaves our factory after a thorough quality and testing process.

In the unlikely event of a warranty claim, please contact your dealer that installed your garage door, and supply them details of the serial number on the side of the door. Your dealer will supply further details of your claim with proof of purchase, to the Warranty Department at Birkdale Manufacturing Group Ltd.

### 1. Warranty Period.

A warranty covering the safe and reliable operation of the Birkdale garage door for a period of 10 years from the date of purchase is given to the original purchaser. The purchaser is given a 2 year warranty for all springs; tracks; rollers; and hinges for normal use, whereby normal use constitutes no more than 5 operations (open/close) per day. We recommend that they are inspected annually by a competent engineer. The warranty period for replacement parts is 6 months or for the remainder of the warranty period.

### 2. Requirements.

Warranty is valid in the country where the garage door was purchased. The product must have been purchased through one of our authorised partners and a serial number and receipt of purchase provided. The warranty only covers damage to the garage door.

### 3. Performance.

During the warranty period we will rectify defects to the Birkdale Manufacturing Group Ltd product that can be proved to be material or manufacturing faults. At our discretion we will either exchange; repair; or reduce the price. We will not accept any costs for dismantling; installation; or delivery.

#### The warranty does not cover damage caused by:

- Improper transport and fitting.
- Repairs by non-qualified or non competent individuals.
- External influences such as fire, water, alkaline solutions, acid, bird droppings or abnormal atmospheric pollution.
- The use of non Birkdale Manufacturing Group Ltd parts without the approval of the manufacturer.

#### Additional Information:

- It is a fundamental condition of this guarantee that the product has been installed, maintained and serviced correctly and is used solely for the purpose for which it was designed.
- Incorrect installation, maintenance and service will invalidate this warranty.
- The door must be kept in a clean condition and free from impact damage.
